Attendance and vendors were down this year due to gloomy weather, but that didn't stop the ones that came from having a good day. Lots of early Christmas shopping being done and fall decorations being bought. A big thank you to those who volunteered to help with the pop stands. Hoping for a bigger and better turn out next show.

Events

Annual Meeting at Stern Beverage

October 17th at 5:30pm

There was a great turn out with 23 people in attendance. Those there enjoyed great firestone pizza and delicious desserts from Milan's own Pagalo's Pizzeria and Gelato Café. Our guest speaker, John Timmer of Backyard Bowl & Abides Bar and Grill, did an excellent job showing off the new bowling alley that will sure bring people into Milan. Along with being a bowling alley there is also a bar and grill with fantastic food to enjoy while your family is having a good time.

Steve Seiver gave an update on the economic status of Milan and shared that the Q-C area has regained enterprise zoning again. This means that new businesses being built do not have to pay taxes on the materials bought in this area. This will hopefully help the Q-C area become a hot spot for new businesses to set up shop.
